Phenomenal Aire

Cold Plasma Generator Technology
Cleaning Air Naturally

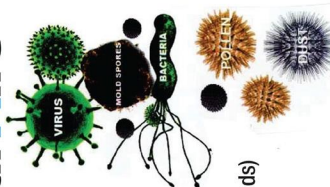

How Phenomenal Aire Works

Air Cleaning Diagram Phenomenal Aire creates a plasma field within a home's HVAC system. As air flows through the field molecules are charged, creating ions. These positive and negative ions then naturally scrub the passing air. The ions then travel on into the living space, where they safely kill mold, viruses, and bacteria.

Phenomenal Aire

- Kills Viruses
- Kills Bacteria
- Kills Mold Spores
- Eliminates Allergens
- Eliminates Odors
- Breaks Down VOCs
(Volatile Organic Compounds)
